

ASTORIUS ENGAGES MINING CONSULTANTS FOR EXPLORATION WORK ON ECUADOR PROPERTIES

Vancouver, British Columbia – March 15, 2018 – Astorius Resources Ltd. (TSX-V: ASQ, Frankfurt: 47AF) (“Astorius” or the “Company”) is pleased to announce that alluvial mining consultants, Velrub Ltd. (“Velrub”), have been hired to perform exploration work on both the Company’s Condor and Osos1 concessions located in Ecuador. Velrub currently has crews of 8 people on each concession completing an additional phase of exploration.

The results of the exploration activities will be filed with the Ecuadorian Government by the end of March as required by law and will be announced to the public after receipt of technical approval from the Company’s Qualified Person.

Notice Regarding Forward-Looking Statements

This news release contains "forward-looking statements," Statements in this press release which are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future, including but not limited to, statements regarding the drilling on the Rainbow Canyon Property.

Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with mineral exploration and difficulties associated with obtaining financing on acceptable terms. We are not in control of metals prices and these could vary to make development uneconomic. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that the beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that such beliefs, plans, expectations or intentions will prove to be accurate.
